AI

The image features a central graphic consisting of a downward-pointing triangle with a vibrant purple, glowing outline. Inside the triangle, the letters "AI" are displayed in a bold, white, sans-serif font. The letters have a subtle blue-to-white gradient and a slight glow. The entire graphic is centered on a solid black background. This central element is enclosed within a larger, rounded rectangular frame that also has a glowing purple outline, matching the triangle's color.
